CNC_Q0New. In general, does the development of Coronavirus (COVID-19) vaccines from pharmaceutical companies such as AstraZeneca and Pfizer make you more or less confident about taking part in health research funded by a pharmaceutical company, or does it make no difference?																				
To what extent do you agree or disagree with each of the following statements? (Please select one option on each row)																				
CNC_Q10a_1. The UK has played a leading role in producing tests, treatments and vaccines to combat the Coronavirus (COVID-19)																				
Unweighted base	2023	950	286	162	79	540	1486	225	189	84	498	39	1177	846	150	250	182	73	479	763
