56. Should Clarence Thomas Recuse Himself in January 6th Case

Supreme Court Justice Clarence Thomas is married to Ginni Thomas, a conservative activist who participated in the Jan. 6 Stop the Steal rally that led to that day's attack on the U.S. Capitol; she also sent several text messages to then-White House Chief of Staff Mark Meadows urging him to try to overturn the results of the 2020 presidential election and weighing in on legal strategy. Should Clarence Thomas recuse himself from hearing cases related to Jan. 6 and the 2020 election results?
