### 12. How much confidence do you have in the ability of the US government to prevent a major cyber-attack on computer systems in the United States?

- **Very confident** .......................................................... 5%
- **Somewhat confident** .................................................. 20%
- **Not very confident** .................................................... 39%
- **Not at all confident** ................................................... 26%
- **Not sure** ................................................................. 11%

### 13. How closely are you following the news about COVID-19?

- **Very closely** ............................................................ 29%
- **Somewhat closely** ..................................................... 41%
- **Not very closely** ....................................................... 21%
- **Not following at all** .................................................... 9%

### 14. Do you personally know anyone who... [has been laid off from work due to covid-19]? Check all that apply.

- **Yes, me** ................................................................. 10%
- **Yes, a family member** ............................................... 16%
- **Yes, a close friend** ................................................... 16%
- **No** ........................................................................... 62%
- **Prefer not to say** ..................................................... 3%

### 15. Do you personally know anyone who... [has tested positive for covid-19]? Check all that apply.

- **Yes, me** ................................................................. 8%
- **Yes, a family member** ............................................... 31%
- **Yes, a close friend** ................................................... 33%
- **No** ........................................................................... 42%
- **Prefer not to say** ..................................................... 2%

### 16. Do you personally know anyone who... [has died due to complications from covid-19]? Check all that apply.

- **Yes, a family member** ............................................... 11%
- **Yes, a close friend** ................................................... 15%
- **No** ........................................................................... 72%
- **Prefer not to say** ..................................................... 3%

### 17. Taking into consideration both your risk of contracting it and the seriousness of the illness, how worried are you personally about experiencing COVID-19?

- **Very worried** .......................................................... 10%
- **Somewhat worried** .................................................. 30%
- **Not too worried** ...................................................... 36%
- **Not worried at all** .................................................... 24%
## 18. In the past seven days, how often have you worn a mask on your face when outside your home?

- **Always** .................................................. 30%
- **Most of the time** ........................................ 23%
- **Some of the time** ....................................... 27%
- **Never** .................................................... 20%

## 19. How would you describe your personal situation regarding COVID-19 vaccines?

- **I have received all the injections required to be fully vaccinated against COVID-19** ........ 56%
- **I have started the vaccination process, but need another shot** ................................. 4%
- **I plan to get vaccinated** .................................. 7%
- **I will not get vaccinated** .................................. 20%
- **I’m not sure about getting vaccinated** .......................................................... 13%

## 20. Which vaccine did you receive?

*Among people who have been vaccinated*

- **Pfizer-BioNtech** ........................................... 49%
- **Moderna** .................................................... 40%
- **Oxford-AstraZeneca** ...................................... 2%
- **Johnson & Johnson** ....................................... 9%

## 21. Have you experienced any negative reactions to the vaccine?

*Among people who have been vaccinated*

- **Yes** .......................................................... 22%
- **No** ............................................................ 75%
- **Not sure** .................................................... 2%

## 22. How many of your friends have been vaccinated?

- **All of them** ............................................... 13%
- **Most of them** ............................................. 37%
- **A few of them** ............................................ 26%
- **None of them** ............................................ 6%
- **Not sure** .................................................. 18%

## 23. How many of your vaccine-eligible family members have been vaccinated?

- **All of them** ............................................... 25%
- **Most of them** ............................................. 27%
- **A few of them** ............................................ 24%
- **None of them** ............................................ 10%
- **Not sure** .................................................. 14%
24. Which do you think is a greater risk: possibly contracting COVID-19, or possibly having a bad reaction to the COVID-19 vaccine?

<table>
