The survey is being conducted for Global Witness, an investigation and campaign organisation focused on tackling the climate emergency and attacks on civic space.

The questions ask about any experiences you may have of online hate and harassment relating to your work and the results will be used to better understand the issues in this sector.

The survey is anonymous and takes about 6-10 minutes to complete. You may find some topics sensitive and there are 'Prefer not to say' options where appropriate throughout the survey.
