5A. Trump Tweets July 27, 2020 — We do more testing than any country in the World, by far, over 55 million tests. Fake News @CNN says we should do more testing. But even if we did 100 times more, they would then say it is still not enough. They are totally discredited, just want Sleepy Joe to win in November!

5G. Trump Tweets July 27, 2020 — Homeland Security or Federal Forces are little involved in Seattle, other than we have a large standby team in case of emergency. The media is calling that one wrong also. In Portland, we are protecting Federal property, including the Courthouse, which wouldn't last a day!

5I. Trump Tweets July 27, 2020 — So disgusting to watch Twitter's so-called 'Trending', where sooo many trends are about me, and never a good one. They look for anything they can find, make it as bad as possible, and blow it up, trying to make it trend. Really ridiculous, illegal, and, of course, very unfair!
