As you may know, there has been concern that if large numbers of people become infected with Coronavirus at the same time, then UK hospitals might not have enough ventilators to provide urgent breathing assistance to all patients who need it. At the moment, that has not happened, but if it did, do you think each of the following should or should not be prioritised before the general public, if they need access to a hospital ventilator?

Members of the Royal Family

Should	26	39	18	23	23	32	27	24	20	23	26	33	26	25	30	27	25	25	18
